 Acting Treas.

A discussion on a Membership Campaign followed and it was decided to get up a letter asking people to become interested in the Library and help support it. A letter and Subscription form was sent to about 300 individuals. Mrs. Johnson - Mrs. Brennan and Mrs. Kelly went over names very carefully and tried to reach every one we thought might help us. Copies of letter and Subscription form are on file.

The letters were sent out on June 20th.

A volume Rem. of Carbonate by Mr. J. R. Dwyer father of late Thomas Dwyer was donated to Library by Mrs. Thomas Dwyer which was greatly appreciated.

Shelving amounting to \$271 - was ordered with the following motion by Mrs. Brennan - seconded by Mr. Hamilton
